Number 3

Christmas Holidays To Extend From Dec. 21st to Jan. 6th

SODALITY SOCIAL OFFERS VARIETY OF ENTERTAINMENT

(Morris Nelson)

On the night of December 14, the Sodality of St. Stanislaus gave its annual Christmas Social at which the boys and girls excelled in games and dancing. The girls who attended this the first Social of the year were from St. Joseph's Academy and the boys were from the college.

The volunteers from the Sodality helped to decorate the gym in the afternoon and did an excellent job of it.

At the social our good friend Santa Claus gave some of the most cherished presents that one could ask for. He came out on the stage and opened his bag to take out these presents for people in the audience. He began calling names and the first was Tony Carter who received a comb. The next to get a present was Sonny Blanchard who was given something to help out when he is at work, a miniature wheelbarrow. After this Miss Marie Horlock received something to fit her personality, a cigarette holder. Next on Santa's list was our honorable friend from Thibodaux, Mr. Ray Luke Richard, who received a very wonderful musical instrument, a toy flute. Then Santa took another gift from his bag and called Walter "Gecko" Cleveland to the stage for his present, which turned out to be something that he can really use at all times, a toy sword. Then Miss Virgil Dick received a present from Santa and also his regrets for she only received a box of JAZZ. Then jolly old St. Nick called another name on the list and it turned out to be yours truly to whom he gave a small package of nappies. The Senior class of St. Joseph's Academy received a large box of cigars which they accepted with great joy. The last on Santa's list was Leon Patten who received a piece of doll furniture, the bath tub.

The choral group from St. Joseph's Academy gave beautiful renditions of "The Flower Song" and "Noel, Noel." Also included in the singing part of the entertainment program was a senior of St. Stanislaus, Bob Henry who sang "O Holy Night." The Glee Club of St. Stanislaus gave a beautiful rendition of "Drink To Me Only With Thine Eyes." Next came a group of farmer's daughters who sang their own version of "Give Me Five Minutes More." By special request Johnny Demoreau sang "White Christmas" as a song of the season and also "The Gypsy."

Johnny Demoreau did a swell job as Master of Ceremonies and made all of the guests enjoy themselves to their hearts content.

In conclusion, we wish to thank all the individuals who added to the enjoyment of the occasion by their little gifts and songs. Thanks also to Brother Felician, who devoted his time and energy to the organizing and preparation of this gala affair.

Condoleances

The faculty and students of St. Stanislaus take this opportunity to express their deepest sympathy to Robert Frie and his family on the death of his father. Also we extend our deepest sympathy to Bernard Farr and the members of his family on the death of his grandmother. We promise to remember the deceased in our prayers.

Joy to the World
Christmas

Christmas is not all tinsel and tissue or

colored lights and incense. It has a deeper significance, rooted in the long gone past, which sets it high above all other holidays of the year.

It is our hope that this blessed season will bring to your home not only the festive joys of Yuletide but that deep inner peace which is essentially a part of Christmas.

Saint Stanislaus Faculty

ROCK BANTAMS LOSE TO BIRMINGHAM IN TOY BOWL 26-8

(Robert Campbell)

The day of gifts came for the small team when they departed for Birmingham as the Hummlogbirds. The entire student body was on hand for the send-off supported by the local band.

On arriving in Birmingham, flash bulbs popped continuously. A photographer from LIFE was on hand to take pictures of all the proceedings including the game. The time not spent at the stadium was a continuous round of banquets and meetings of celebrities among whom were Cardinal Spellman of New York, Father Flanagan of Boys Town and Pat O'Brien.

Although on the small end of the score, the Rocks enjoyed every minute of their stay. Congratulations for a fine showing, Brother Leonard and Coach Burke.

CENTENNIAL OF THE BROTHERS OF THE SACRED HEART

January 17, 1947, is a day dear to the hearts of all the Brothers and the students who have been under their influence. It marks the 100th anniversary of the Brothers of the Sacred Heart in America.

The Community originated in France under the guidance of Father Coeurde. It was under Brother Poycar's term as Superior General that volunteers from France left their native soil to take up missionary work in the fields of this country.

The remarkable progress of the congregation in the United States shows clearly the zeal of the old pioneers.

Further information on the plans for this celebration will be published in the next issue of the Rock-A-Chaw.

NEW SODALISTS INDUCTED ON DECEMBER 8TH

(Armand Gutierrez)

On the Feast of the Immaculate Conception, December 8th, a joint reception was held for members of Our Lady's Sodality of St. Joseph's Academy and of St. Stanislaus College. The candidates were admitted into the Sodality at the 7:00 A. M. Mass in Our Lady of the Gulf Church by Rt. Rev. Msgr. Grzech.

Spiritual Director of both organizations. Seventy-nine candidates were received into the SSC Sodality and fifteen into the S. J. A. Sodality.

The ceremony closed with Benediction of the Blessed Sacrament. Following the reception, a Communion breakfast was served by members of the St. Joseph's Sodality.

Brother Felician, Moderator of the SSC Senior Sodality, and Brother Leonard, Moderator of the Junior Sodality, prepared the SSC cantata for the reception.

HOLIDAYS BRING TO CLOSE AN EVENTFUL YEAR

Special Coaches Reserved For Benefit of Students

(Armand Gutierrez)

The students of St. Stanislaus are once again rejoicing, awaiting the well-earned Christmas Holidays. Everywhere this is evident by the calendars being bought. They mark impatiently the days, hours and even minutes before "shove off time."

It was officially announced in the Big Studyhall that the Christmas Holidays would commence on the morning of Saturday, December 21st. Classes will be resumed on January 7th. All boarding students must be back on the campus before six o'clock p. m. Monday, January 6th.

Students going towards New Orleans will leave on the 9:45 train which arrives at the E. & N. Station at the foot of Canal Street at 6:45 a. m. Those going toward Mobile, Ala., will leave at 10:17 A. M.

Extra facilities will be provided on the train leaving New Orleans at 1:49 p. m. Monday, January 6th in order to facilitate the return of students from that city. "Check-in" will be after that official train arrives.

The boys have worked hard on school work for four months. The holidays will give them an opportunity to relax body and mind, with a complete change of routine which excludes school.

The Rock-A-Chaw staff takes this opportunity to wish the faculty and the student body a most happy Christmas and a happier New Year.

COOPERATION MAKES CHRISTMAS TREE YEARLY SUCCESS

(Armand Gutierrez)

Amidst the happy rush and bustle of Yuletide, it is encouraging to know that so many have paused in order to generously contribute to the Christmas Tree Fund. America's love of children has not grown cold. Unfortunate little will always hold a spot in the hearts of everyone.

This laudible practice has become a time established custom not only for St. Stanislaus, but also for the generous people of Bay St. Louis. The underprivileged children of this section look forward eagerly to this occasion. For them, it means the only Christmas gifts which they will receive. Seeing the pleasure which rich children experience on the reception of toys, candy and fruit is sufficient reward for those who have made it possible.

This is the true Christmas spirit in practice. One of the greatest gifts to be received in the satisfaction which is experienced as a result of making others happy.

Donations were many and generous. The success of the party is assured. May God bless all those who have brought it about.

The annual Fly-Fly classic was the principal factor in the realization of the fund. The attendance at that game was one of the largest of the season. Many persons purchased more tickets than were necessary for admittance.

Rambling Review

Nel Bell

The Annual Christmas Social was an unusual success on account of original and unique entertainment. . . The Birmingham Team met with more success than we even expected. . . After all meeting Pat O'Brien, Cardinal Spellman, and Father Flanagan, of Boys' Town is nothing to sneer at. . . The Crooners now organized as the Glee Club under Brother Polidan is going strong. . . HAVE YOU PAID YOUR SODALITY DUES? When you turn over a new leaf for the new year it's better to make a few resolutions and keep them than to make a good many and break them. . . Our Junior Basketball team shows promise. . . The change in the show night has confused everyone and there are a lot of long faces. . . intermarriage have started and the boys have really got spirit. . . awards have been promised to the most sportsmanlike, Best Captain, and the winner of both first and second half. . . The "Serenade Hour" seems to be going strong after supper every night. . . Is it the music of those comfortable chairs that have just been bought. . . Those that take Geometry and Algebra enjoyed those few days that Brother Latus was gone. . . But no one seems to know where he went. . . Whoever we have to "Thank" for those two half holidays last Thursday and Friday, I'm sure we'd like to express our appreciation. . . The new roads are still under construction. . . The construction crew is doing a good job of fixing windows. . . When at home remember your A B C's and it doesn't pertain to Chesterfields it's always be careful. . . More accidents happen during the holidays than at any other time. . . We want to thank Leon Fatten for handling the music at the Social. . . After all he sacrificed his dancing time for the good of the crowd. . . Here's wishing you a Merry Christmas and a Happy New Year.

BAND BACK IN SWING OF PRACTICE AFTER SCHOOL HOURS

(Morris Nelson)

The band has resumed practice after school and is back to full swing. The boys who played football are back for every practice and the band is complete with everyone present.

Brother Remond has had the li-

brarians give out some of the more classical pieces, such as "Harmony King" and a novelty number called "A Morning At The Music School." In the last of these numbers the clarinets play the whole piece while the rest of the boys sing. The drums provide the novelty part of the piece by coming in during the singing and playing the correct rhythm. Harmonica, wood-block and so on. All in all it is a nice piece in its own way as a novelty number for band work.

And the angel said unto them, Fear not: for behold, I bring you good tidings of great joy, which shall be to all people.

For unto you is born this day in the city of David a Saviour, which is Christ the Lord.

And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger.

And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

Gloria to God in the highest, and on earth peace, good will toward men.

FLEAS DOWN FLIES
13-7 IN ANNUAL
FOOTBALL CLASSIC

(D. Dufort)

The Fleas met the Flies in the thirtieth annual Flea-Fly 6R at the Stensland Stadium on Sunday, December 1st at 2:30 p. m. The proceeds from this game went to the Christmas Tree Fund. This fund is used to give a Christmas party for the poor children of this section. The ticket sellers had done their work well and a large crowd turned out to see the miniature eleven clash.

Brother Leonard, organizer of this classic for the past fourteen years, acted as timekeeper. Brother Felician gave a play by play account of the game over the loudspeaker system.

The Flies kicked-off to the Fleas to open the game. Early in the initial period Russell Starnes recovered a fly fumble for the Fleas and Clayton Barre went over for the first fly. J. Carson took the ball about the middle of the quarter. Yommo Johnson ran 25 yards for a first down for the Fleas down to very dirt. The Fleas were leading 7-0 at the end of the first quarter.

All through the second play answered back and forth with neither team threatening to score. In the closing minutes of the first half, however, E. Martinez recovered a fumble for the Fleas, deep in the Flies territory. The half ended with the Fleas still out in front, 7-0.

The Flies took the opening kick-off of the second half and brought the ball into Flies territory. A

Flies player made a 3-4-1 drive down for the Flies in scoring territory but the Fleas held them at the twenty and turned loose a counter-attack. This attack carried them deep into Fly territory and W. LeBlanc went over for the score. The attempt to convert failed. At the end of the third period the score stood 13-0 in favor of the Fleas.

The Flies drove down to the 10 in Fly territory and D. Ward went over from there. Ward, again took the ball around end for the conversion. In the closing minutes of the game, R. Rhodes ran 40 yards for a first down for the Fleas in Fly territory.

We regret the omission of the Varsity Football picture from this issue. The picture was received too late to have a cut made on time. It will appear in the next issue.

Ernest Deunis, the first senior for this season, will serve those much loved juniors at mid-term, but will retire at the year's end for his diploma. Ernest has attended Stanislaus for seven and one half years, between which time he served in Uncle Sam's Navy for a period of two years. During this time he served duty on Hawaii and Palmyra Island.

Many years ago he played on the Tiny Rock team under Brother Leach, and was too tight for the varsity and after returning from the Navy was on old. While a Sophomore he was a member of the Intramural Basketball team.

As a sideline Ernest enjoys flying and after school is out he expects to get a license. He likes very much to build model airplanes.

He hasn't decided where he will take up Aviation of which field it is he will study in particular.

Now we come to that little chubby senior John Callaghy. John has been here for three years now during which time he has kept himself very busy helping the school in every way he could. For three years now he has been on Brother Timothy's working crew keeping our front station beautiful and in motion the two years he has been in charge of the Stanislaus Pool Hall. This year he has been working hard fixing the tables which accounts for its late opening. This year he has been appointed as Prefect of one of the dormitories.

After leaving here John will go back to his home town, Monroe, where he will study the art of the great but where he will learn his apprenticeship is undecided as yet.

Now we have a senior who during his two years here has become very popular among the boys. His name is Richard Hunter, a native of Newburg, who now resides in the well known city, New Orleans.

Last year Dick showed his skill in basketball.

The change in the show night has confused everyone and Dick, for his last he proved to be a natural in this line. He was also last year, a member of our Junior Football team, of which he made the first string.

Dick has a very odd hobby, that of collecting insects; he has a very large collection.

After leaving Stanislaus he will attend that great Northern University, West Point, where he will study medicine.

And last but far from least we find Robert Johnson. Bobby has been at the school for the past eight years.

He was tops last year in the boxing ring and on the Gridiron as a first string member of the Junior Football team. This year we found Bobby out for the Varsity.

He has been an active member of the Society for his four years of high school three of which he has been an officer.

At present Bobby is a member of our campus student council doing his best for the school and for the students.

Bobby has acquired an Appointment to our great Navy College of Annapolis. For his Pre-College

"DOC" BLANCHARD ALL-AMERICAN FOR THIRD YEAR

The following fact is quoted from the Saturday Evening Post News Bureau which presented the All-American Football Team of 1946. It deals with a Stanislaus graduate of '42 who was picked as a back again.

"Doc" Blanchard was 'Mister Inside.' Probably the most punishing runner since Brodie Napinski, Blanchard was 210-pound full-back with the power and speed of an express train. An astonishingly fast starter, he literally tore the opposition apart. Over into the secondary, he ran like a flat halfback. Blanchard, who did everything well offensively, was also as good as they come on defense—a quality which was often overshadowed by his ball carrying, blocking and kicking. Operating most of the season as defensive right halfback in the Army defense, Blanchard was almost impossible to pass around and was a steady leader.

In the bitterly fought Notre Dame game, he turned back everything the powerful Irish sent at him, and he was not blocked out of one play where the tackle was his to make. An Army fullback for three years, Blanchard won the Heisman Memorial Trophy, the Maxwell Club, of Philadelphia Award, the Walter Camp Trophy and the Sullivan Trophy for being the outstanding amateur athlete in America. Blanchard, whose home is in Bishopville, South Carolina, ended his Army football career with the 1946 season.

MEMBERS OF GLEE CLUB SELECTED FOR YEAR

(D. Goss)

On Friday, December 6th, Brother Julestin organized the Stanislaus Glee Club. These members of the Senior and Junior Classes who wished to join were auditioned and divided into Men's and Girls' classes. Thirty eight of the forty auditioned were accepted.

Those accepted were: J. O'Donoghue, A. Walker, P. Allen, G. Larrabee, S. Blanchard, D. Pollak, L. Patten, S. Lachman, C. Szwarcwald, R. K. Claire, R. Richard, W. Huber, J. T. Lattau, J. Frank, D. White, W. Cairns, J. H. Borne, A. Dulliver, J. D. Austin, A. Carter, J. Carve, D. Aubin, L. Munroe, C. Deiter, J. Laughlin, R. Monck, A. Carano, R. K. Lasham, G. Kewen, J. Guillette, F. J. Farrell, J. D. Frank, G. Deiter, M. Capone, K. Dalton, E. Johnston, D. Schillingham and D. Goss.

At once they began to practice in order that they might present "Dedic To Me Only With Thine Eyes" at G. Society Social the following Saturday. They will attend the Choral Clinic in Pascagoula, La. Transportation facilities are available.

year he will attend Tulane University.
